PEDI-HOPE 2011

Pediatric Hospice and Palliative Care Essentials:
Coordinating Care, Expanding Our Boundaries

Third Annual Conference

Pediatric Hospice and Palliative Care Essentials is an interactive case-based conference, focusing on the needs of children with life-limiting conditions. This conference is designed to enable healthcare professionals to be better prepared, confident, and equipped to provide the best quality of life possible for these children and their families.

Multi-disciplinary Texas faculty & panel sessions! Topics for both beginner and advanced learners. Special emphasis on concurrent care and service coordination. Includes meals and Friday evening networking event.

Presenters from Children's Medical Center of Dallas, Texas Children's Hospital, Dell Children's Hospital, Children's Memorial Hermann Hospital, Cook Children's Hospital, Home Hospice, CHRISTUS Santa Rosa Children's Hospital, Project Joy and Hope, and more.
